

USERVOICE

Your Feedback, Our Commitment

UserVoice is our official feedback platform where you can share ideas, request enhancements, report usability gaps, and vote on what matters most to you. It helps us understand your needs and prioritize improvements across our products.

✓ **Every idea matters.**

Our Product team is committed to reviewing and responding to every submission.

✓ **Clear communication.**

Even if we can't implement an idea, you'll always hear back from us with our decision and the reasoning behind it.

✓ **Community-driven insights**

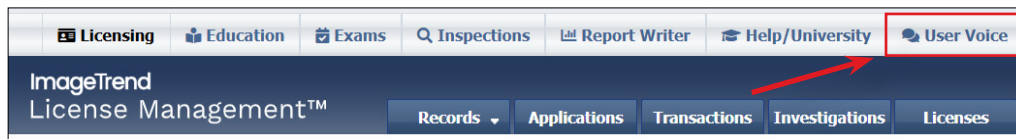

Join the conversation with other users to help shape and strengthen the ideas that guide our priorities.

✓ **Looking ahead.**

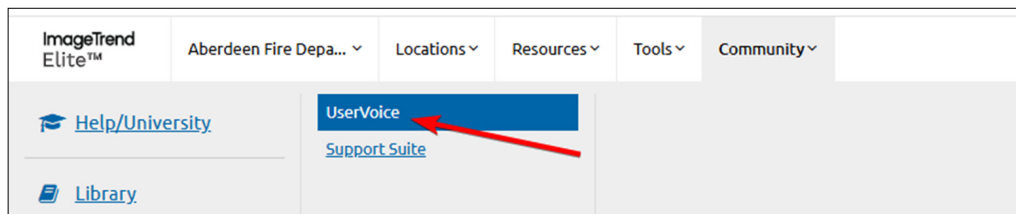

We're revisiting previously submitted ideas, but if something is urgent please submit it again to ensure it receives priority.

Your input helps shape the future of ImageTrend solutions. Click on **UserVoice in your ImageTrend solution** to share your ideas.
