

Live, Expert-Led Training—Tailored to Your Agency

IMAGETREND LEARNING SERVICES

Get Started Faster with Learning Designed for You

ImageTrend provides customized, instructor-led learning opportunities to help agencies get up and running faster, reduce friction during go-live, and maximize the value of their ImageTrend solution.

Delivered on site or via webinar, ImageTrend's learning services team provides hands-on training—focused on real public safety workflows and tailored to your agency's goals and day-to-day use.

Flexible Learning Delivery Options

Virtual Learning Center (VLC) is your on-demand development portal available exclusively to ImageTrend customers offering flexible, self-paced courses designed to fit your schedule.

Webinar learning provides live, instructor-led training delivered remotely, with flexible scheduling and the ability to focus on specific topics or deep dives as needed.

In-person learning delivers hands-on, customized training at your agency, led by experienced ImageTrend educators and ideal for implementations, onboarding, and agency-wide initiatives.

Webinar and in-person learning services are available for purchase as part of an implementation package or as standalone training.

Learning Services Built Around Your Agency's Priorities

We build every learning engagement collaboratively with your team to:
